USE OF ANTIQUE OR VINTAGE ANTIQUE USE ONLY PLATES

Virginia Code, Section 46.2-730, limits use of antique vehicles, trailers, motorcycles and autocycles registered with antique or vintage plates to the participation in club activities, exhibits, tours, parades and similar events and to carrying or transporting passengers, personal effects and other antique vehicles for show purposes. They may also be used on Virginia highways to test vehicle/trailer operation, obtaining maintenance or repairs and/or to sell the vehicle or trailer. Antique and vintage plates permit occasional pleasure driving (not to exceed 250 miles from the owner's residence) but are not to be used for general transportation purposes, including but not limited to, daily travel to and from the owner's place of employment.

PENALTY FOR MISUSE OF ANTIQUE OR VINTAGE ANTIQUE USE ONLY LICENSE PLATES

Any owner of an antique vehicle, trailer, motorcycle or autocycle registered with license plates pursuant to Virginia Code, Section 46.2-730, will be guilty of a Class 4 misdemeanor if convicted of a violation of antique or vintage plate usage. The conviction will cause the owner's registration for the vehicle involved in the violation to be revoked for a five-year period from the date of conviction.

ANTIQUÉ VEHICLE SAFETY CERTIFICATION

Virginia Code, Section 46.2-730, requires that you certify that the antique vehicle, trailer, motorcycle or autocycle registered with antique or vintage plates is capable of being safely operated on Virginia highways.
